Hancock deputy stops trafficking of people, meth in separate I-10 stops

BY GEOFF BELCHER
News Editor

Early on Tuesday morning, a Hancock County sheriff's deputy made separate traffic stops on I-10, netting 21 illegal aliens and nearly \$100,000 worth of meth.

At just after midnight, "a criminal interdiction agent with the Hancock County Sheriff's Office conducted a stop of two Honda Pilots simultaneously on Interstate 10 east-bound that were traveling together," Cmdr. Jeremy Skinner of the Hancock Sheriff's Narcotics Division, said in a press release. "Both of the vehicles stopped near the 10-mile marker."

Skinner said the deputy found nine illegal aliens in the first vehicle and nine more in the second, including 17 males and one female, ranging in age between 17 and 50.

"Both vehicles were in route from Texas to an unknown destination in Florida," he said. "U.S. Border Patrol was called to the scene to take custody of all 18 illegal aliens."

Later -- at about 4 a.m. Tuesday, a Hancock deputy stopped a 2017 Jeep Cherokee on I-10, Skinner said. Four people were inside the vehicle.

"During the course of the stop," he said, the deputy "discovered

approximately eight pounds of methamphetamine. It is believed from primary investigations the methamphetamine was in route from Texas to South Carolina."

Skinner said the estimated street value of the meth ranged between

\$80,000 and \$100,000.

The driver, Erick Contreras -- a U.S. citizen -- and all three passengers -- who were illegal aliens -- face federal charges for the methamphetamine. The passengers included Diana Sorto, 31; Manuel Pulido-Rodas, 33; and Erik

Betancourt-Olguin, 24.

Agents of the Department of Homeland Security and the Drug Enforcement Administration assisted at the scene, Skinner said.

Hancock County Sheriff Ricky Adam on Tuesday commended the

officer who made both stops, but didn't identify him in order to protect his safety.

"We have one guy that stays on our team, he does a hell of a job for us," Adam said. "We're extremely lucky to have him with us."

REFLECTIONS ON LIFE

by Fr. Jerome
Ledoux, SVD

Every column/sermon /task is a meditation

Though the following thoughts seem only clerical in nature, they pertain to every human being. When taken into ourselves and absorbed as part of us, a column, sermon, task and all human endeavors take on a life to themselves, becoming as much a part of us as the air we breathe and the nourishment we ingest. While others must speak from their own unique experience, I personally find that I am not doing a thing right until I become totally immersed in the task at hand, so that it becomes an extension of me. That ipso facto elevates it to the wonderful nosebleed realm of meditation, creative imaginings and expectations.

So how about that? Whatever we do can become a special meditation, firing our juices of imagination, creativity and outreach to our sisters and brothers. Take a column, for example. Little seems to click or flow until something locks into my thoughts and feelings. Almost as if a switch were turned on, the things that I have been reading, the things that people have been saying and doing blend together.

Like the ingredients of a delicious meal or the components of an exquisite symphony, meditation combines everything into a fine creation and rendition. One knows whether a given column or talk will resonate with others by asking oneself, "Does it speak to me, resonate with me, move me to good and higher things? Does it ring a bell for me? That is what a preacher/speaker/writer wants to know at the zero hour. If it does, bells will be ringing for the audience at some level as well.

There are, of course, techniques for composing, writing, speaking formally or informally, making eye contact with each person in a small group or large crowd, convincing each person that you are addressing her or him alone, storytelling in a spellbinding way, and interacting with audiences of many varieties and origins. All those things are wrapped up into one when they have become completely part of us. This is not a grandiose view of ourselves and our capabilities. It merely states that we are at our best and most convincing when we give what is uniquely ourselves.

Are these the mere ramblings of a weathered curmudgeon, or, we would hope, of a seasoned seeker hoping to become a savant with many treasure troves?

The latter is indeed what we hope for ourselves and for everyone else. Far from being mere ramblings, we would like to have all the reflections, meditations, imaginings and creations of each person grow out from the very Gospel of God that Romans 1:16 tells us "is the power of God unto salvation."

House weekly summary

GUEST OPINION

by Rep. Carolyn Crawford

The House schedule was full of committee meetings this week, as next Tuesday's deadline to have House Bills out of their corresponding committees quickly approaches.

After Tuesday, Jan. 30, no additional bills will be added to the House calendar for consideration, and members of the House will begin meeting as a whole for longer hours to discuss the bills that made it out of committees.

Despite the busy week of committee meetings, a few bills were introduced to the House floor for discussion.

One bill that generated some debate was House Bill 559. The bill would authorize the Department of Finance and Administration to enter into a lease with a nonprofit for the development of a

pediatric care facility for the severely disabled. Some legislators expressed concerns that the current facility would be relocated from one area of Jackson to another, but proponents said renovating the current location would be cost prohibitive to the project. The bill passed by a vote of 76-39 and was then held on a motion to reconsider.

The Committee on Universities and Colleges introduced two bills this week. Members unanimously voted to pass House Bill 700, which

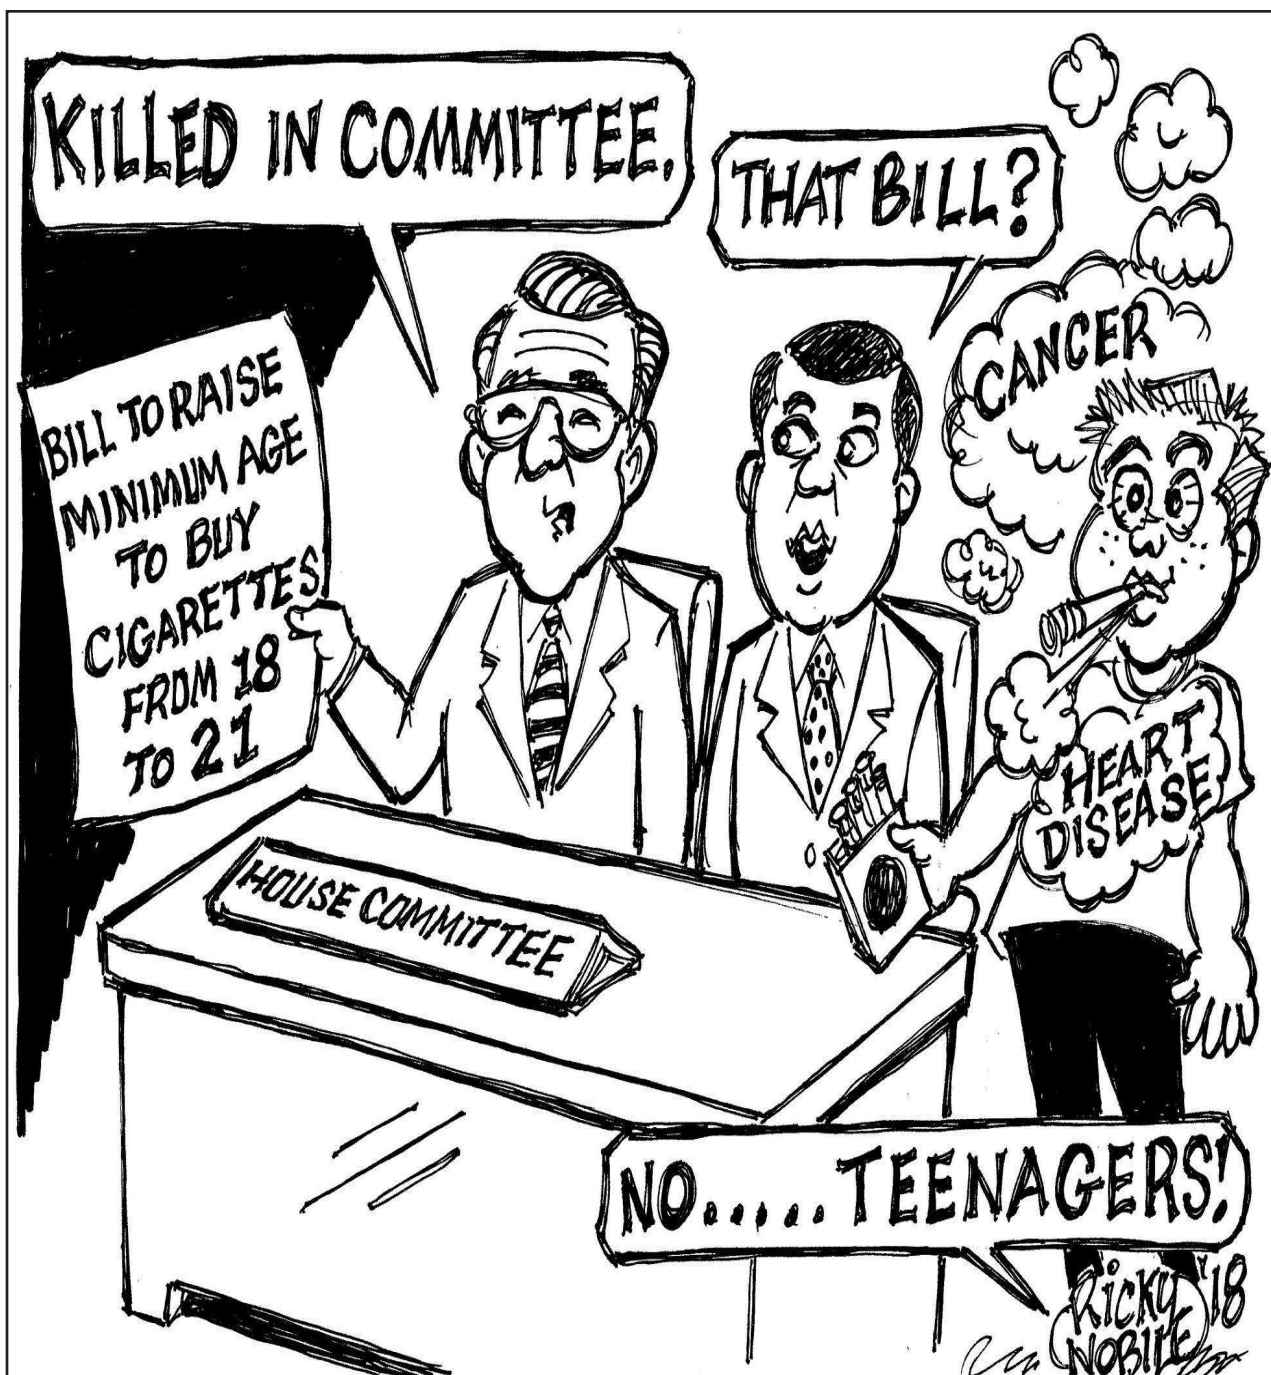

would authorize the transfer of property from Delta State University to Coahoma Community College for a higher education research center. The committee also presented House Bill 405, which would establish the "Mississippi Career-Tech Scholars Program" to provide free tuition to students enrolled in certain career and technical education programs at community and junior colleges. The bill passed by a vote of 111-2.

Also introduced was

House Bill 325, which would change the failure to have mandatory motor vehicle liability insurance from a civil violation to a criminal offense. The bill passed by a vote of 93-14.

On Wednesday, country music star and Mississippi native Randy Houser was recognized in the House Chamber with a resolution declaring December 18, 2018, as "Randy Houser Day in Mississippi."

Among the groups visiting the Capitol this week were members of the Mississippi Retired Public Employees Association, the Mississippi Association of Community and Junior Colleges, the Mississippi Tourism Association, the Mississippi Association of Nurse Practitioners and the Mississippi Counseling Association.

Pass Christian High Principal-USM Alum Wins Prestigious Milken Award

SEA COAST ECHO
There was a time when Pass Christian (Miss.) High School Principal and University of Southern Mississippi alum Dr. Robyn Killebrew tried running from education. Today, the popular and highly respected educator wholeheartedly embraces the concept.

For her tireless efforts as the fourth-year principal at Pass Christian, Killebrew recently was named a Milken Educator Award winner. Among the 44 Milken honorees for 2017-2018, Killebrew is the only one chosen from the State of Mississippi. The award comes with a \$25,000 cash prize that the winner is free to use at his/her discretion.

When Milken Educator Awards Senior Vice President Jane Foley visited Pass Christian High earlier this month to announce that someone from the school had been selected for the honor, Killebrew had no inkling that she might be the recipient.

"I was completely shocked and definitely overwhelmed," she said. "When Dr. Foley told the audience that someone from Pass High was going to receive the Milken Educator Award, I caught myself looking around at all the amazing teachers we have in our building. When she revealed my name, I was completely surprised."

A Durant, Miss., native, Killebrew earned a bachelor's degree in physical education from William Carey University in 2003. She also holds a master's in sports administration (2005) and a doctorate in educational leadership and administration (2016) from USM.

She played fast pitch softball for two years at William Carey, finishing her career with a .301 batting average. Following her time at WCU,

Robyn Killebrew

Killebrew became the graduate assistant softball coach at USM. In 2004, she helped lead the Golden Eagles to a 2004 Conference USA Championship.

Killebrew worked as a teacher for five years at Pass Christian before serving as assistant principal for two years. She readily concedes that teaching is engrained in her DNA given the fact that her grandmother was a teacher and her mother is currently in her 43rd year of teaching.

"In college, I tried running from education; however, I always knew in my heart that I wanted to be a teacher," said Killebrew. "It was just in my blood. I personally witnessed all the lives my mother touched over the years. I wanted to be a part of that."

Candidates for the Milken Educator Award are sourced through a confidential selection process and then reviewed by blue ribbon panels appointed by state departments of education. Those most exceptional are recommended for the award, with final approval by the Milken Family Foundation.

Since taking over as principal Killebrew has created and implemented a number of programs designed to foster greater engagement between teachers, students and the community at large. Enhancing academic achievement remains a top

priority and her philosophy as a principal is simple: "Whatever it takes."

One of her unique programs is the Freshman Academy, specifically designed to help smooth the transition from middle school to ninth grade. Killebrew meets with the incoming freshmen herself, encouraging them to become part of the Pass Christian family by joining an athletic team, club or academic organization during their high school years.

Since the program launched, Pass Christian's graduation rate has risen to more than 90 percent. Killebrew also created an ACT "boot camp" to prepare students for the standardized college test; she knows many Pass Christian families depend on college scholarships and reminds students that ACT points equal "college dollars." Scores on every area of the test, and the percentage of students meeting benchmarks in all four testing areas has risen from 17 percent to 27 percent.

Each month she invites community members in for "Pastries with the Principal" to share what's happening at PCHS and how students are doing. Killebrew has been known to show up at the home of at-risk students to convince them to stick it out until graduation and serves on the district superintendent's Key Leadership team.

With another busy

school year at hand, Killebrew has given little thought to how she might spend her surprise wind-fall.

"I have not made any plans of yet," she said. "I love to travel, so maybe a few trips in the near future."

Mississippi and the Great Depression.

How the Great Depression impacted the lives of Mississippians is the subject of a book, Mississippi and the Great Depression, by Richelle Putnam at the Authors & Characters @ Your Library on Tuesday, February 6 at 11:45 a.m. at the Bay St. Louis-Hancock County Library.

According to researcher Benjamin Morris, "Historian Richelle Putnam details how the Great Depression changed

lives in Mississippi during the state's most harrowing years."

"Bringing national events into local settings, and traveling city by city from the Delta to the Coast, Putnam illuminates the experiences of locales from all races, classes, faiths, and vocations. Rarely have the lives of our ancestors been held in such warm and knowing hands."

Lunch is available for \$10, payable to The Library Foundation at the door. Reservations are required, and copies of the book will be available for purchase. To make your reservation, call 467-5282.

Reflection

Continued from Pg. 4

This is a paradigm for the laity, for religious and clergy alike, for we all have very similar reactions to words, actions and challenges. Nevertheless, Saint Thomas Aquinas observes how individual we are, "Quidquid recipitur, ad modum recipientis recipitur." "Whatever is received, is received according to the disposition of the recipient." How we are, what we are, how we are, is a composite that determines how we react to and interact with everyone and everything. We are all so very different and, notwithstanding, so very similar to each other. We are wonders, laughing at ourselves as we strive to be the top of the tip and the tip of the top.

No one comes to us, panting to watch us impersonate or imitate some great speaker, a scintillating performer, a wise counselor or engaging, livewire friend. Had people wanted that, they would have gone to check the great ones out. But no! What they come to see and hear are the low-level, everyday people that we are, in whose presence they have no fears or anxieties, they can drop all their defenses, they can let themselves go, they can laugh themselves silly, they can cry their hearts out, they can play the fool and be their little old selves without fear of criticism or rebuke.

Another variant of all this is expressed by Paul as he goes a step further in 1 Corinthians 10:31, "Whether you eat or drink, or whatever you do, do everything for the glory of God." This involves a

favorite theme of ours, the good intention, that turns all that we do into spiritual gold, silver and precious stones. Even as we are involved in turning a column, sermon or any kind of task or chore into a meditation, an intimate part of our very selves, we can crystallize all of it into a glorious offering to God by dedicating it to God in the morning and throughout the day.

I certainly hope this does not sound like complicated, convoluted ramblings. The last thing in the world that we need is more complications in our lives. Honestly, I believe that all these thoughts are easy to remember and understand because they are closely related and interlock with each other. Perhaps we can remember them most easily by saying, "In whatever you think, say or do, be all you can be."

Bay-Waveland schools earn PREPS awards for 2018

SEA COAST ECHO

Three Bay-Waveland School District schools have been selected to receive the 2018 Value-Added Awards for subject area tests. The awards are presented by the Program of Research and Evaluation for Public Schools, Mississippi's only statewide educational consortium.

The PREPS Value Added Awards Program identifies high performing schools among Mississippi public school districts who are members of the PREPS Consortium. Schools which are deemed as

adding value are those performing significantly better than other schools with comparable socioeconomic circumstances.

Bay High School received awards for Algebra I, Biology I and English II.

Bay Middle School and North Bay Elementary won for English Language Arts and Math.

"These PREPS Awards recognize our schools' improving performance on tests in several subject areas and provide encouragement for the continued improvement throughout our school district," said Vikki Landry, superintendent

of the Bay-Waveland School District.

An awards luncheon and ceremony will be held Feb. 26 at the Jackson Hilton during the 2018 Mississippi Education Partnership Conference hosted by PREPS and MAPE which celebrates collaborations in schools.

The PREPS Value Added analysis began in June 1997 and allows for valid comparisons of educational performance on the prior year's state testing while taking into account the impact of differences in the socioeconomic background of the students considered in the research.

Lady Pirates clinch Division 8-4A title in sweep of Tigers

BY JOSEPH W. GEX, II
STAFF WRITER

The Pass Christian Pirates (14-4, 4-0) completed the sweep of the Bay High Lady Tigers (10-7-2, 2-2) with a 5-2 victory on Tuesday evening. The victory gave the Lady Pirates The Division 8-4A title to Pass Christian while the Lady Tigers advance to the pre-season for the seventh consecutive year as the #2-seed.

Kamdyn Skinner tallied a hat trick plus one in the game while the other goal was added by Cassidy Couch for Pass Christian.

Ari Helsel and Breanne Hayes each scored for the Lady Tigers.

Bay High head coach Colby Adam commented,

"This game was a battle and we knew it would be. Pass Christian has a very good team. We are hoping to get healthier before the playoffs begin in a couple of weeks. We were dealt a blow this week when we learned that Ayanna Singleton was diagnosed with Stage 3 Non-Hodgkins lymphoma. Thankfully, her physician says it can be treated. She is a strong young lady and the girls played extremely hard for her tonight. If we can get a coup me of injuries behind us, we could make a run in the post season. We will travel the first round to Sunrall and we will see what we have."

In the boys game, the two teams battled to a 0-0 intermission score and a 1-

1 regulation score before claiming a win in a shootout.

The Tigers (7-7-3, 3-3) got a huge game from freshman goalie Trey Bordelon. He made stop after stop and blocked the first three kicks in the shootout.

Bay High and Pass Christian (10-6, 5-3) traded goals within 140 seconds of each other late in the second half to force overtime.

After two mandatory overtime periods, the game went to a shootout. After Bordelon blocked the first three kicks by Pass Christian, Chris Rico, Austin Ladner and Jonovan Cucurullo all converted their kicks for the Tigers that gave them the win.

Bay High head coach Kelly Ross stated, "We played and passed the ball well in the first half. The second half was controlled by Pass Christian. We got a little too excited when we scored on the second half. I am very proud of we fought tonight. Trevor Bordelon had a great game in goal especially in the shootout."

Despite the loss, the Pirates advance to the Class 4A state playoffs as the #2-seed from Division 8-4A.

The St. Stanislaus Rock-a-chaws (13-3-1, 6-0) defeated St. Martin 11-1.

Beau Rimmer scored a hat trick plus one in the win followed by a hat trick by Charlie Demetz. Gabe Toepfer, Stephen Bonck,

Kaleb Allen and Parker Slade all added one goal to the score.

The OLA Crescents (5-6-3, 2-1) were able to get 2-0 decision oover St. Patrick on Tuesday evening. Olivia Gelpi and Camille Martin each scored in the win. Paige Palazzo got the shutout in goal.

OLA head coach Shane Kowalski commented, "We controlled possession of the ball. Our back line played extremely well and Paigle Palazzo had a great night in goal. Our defensive strength allowed our offense to keep pressure. Now that we have qualified for the playoffs, our intensity of training will ramp up."

The win over St. Patrick put OLA in the

playoffs. When the Crescents meet Sacred Heart soon, the top seed in the playoffs will be on the line.

The Hancock Hawks split a pair of games with Harrison Central on Tuesday. The Hawks (9-10-1, 2-4) defeated the Red Rebels 7-0 on goals by Elliott Nolan, Terrell Jordan and Jacob Malley. Cooper Grafe and Dustin Cuevas each scored twice.

The Lady Hawks (9-9-1, 0-6) fell to Harrison Central 4-2 In a shootout.

The Hawks were swept by Pass Christian on Saturday.

In upcoming action, the state playoffs for the girls begin on February 5th while the boys start on February 6th.

BY JOSEPH W. GEX, II

The Tigers contiued to put a difference between themselves and other teams in the second half.

Bay High head coach Randy

McCrory commented, "We had a slow start in the first half as SSC gave us defensive fits. In the second half we wanted a possession by possession game."

Leading the Tigers were led by Toure Powell with 17 points followed by Jaylan Wilson with 12 and Ke'saun Laneaux and Kyren Galloway with 10 points each.

SSC head coach Aaron Dunklin stated, "We got into foul trouble early with an undisciplined defense. When we have great focus, great effort and great attitude, we will be successful. We are not there yet, but we are working toward it. We have two division games left to move up in seeding

Lady Wildcats rally to defeat Coastal Alabama-North

BY STAN CALDWELL
PRCC SPORTS
INFORMATION

POPLARVILLE – Pearl River Community College wasn't quite as sharp for four quarters as it might have wanted, but the Lady Wildcats were sharp enough when it counted.

PRCC used stiff defense in the fourth quarter to get past Coastal Alabama-North 49-45 Saturday afternoon in women's basketball action at M.R. White Coliseum. Pearl River improved to 10-4 overall; CACC-North dropped to 2-18.

The Lady Wildcats trailed by seven points, 12-5, in the first quarter, then reeled off 16 unanswered points to take a 21-12 lead, as the Lady Eagles missed 19 consecutive shots from the field.

PRCC took a 10-point lead, 26-16, into the locker room at halftime, but Coastal Alabama converted

6 of 13 shots in the third quarter, including 3 of 5 from 3-point range to take a 36-33 lead in the final period.

However, freshman Gabby Brown (Ft. Walton Beach, Fla.) made short work of that deficit with a 3-pointer, and the two teams traded the lead four times and were tied twice more before the Lady Wildcats took the lead for good on a free throw by sophomore Rah Franklin (New Orleans) with 1:49 to play.

Franklin added another trey, her third of the night, with 36 seconds to play to give PRCC its four-point margin of victory. Pearl River held the Lady Eagles scoreless over the final five minutes of play.

Sophomore Charisma Walker (Brandon) continued her strong play for the Lady Wildcats finishing with 12 points and 14 rebounds, her third double-double of the season. Franklin also had 12 points

for Pearl River.

The Lady Wildcats will resume South Division play Monday at home against Copiah-Lincoln, before traveling to Meridian next Thursday. The Co-Lin game will be livestreamed on prccmedia.com.

88TH ANNUAL VALENTINE SILVER TEA SCHEDULED FEB. 9

THE 88TH ANNUAL VALENTINE SILVER TEA IS SCHEDULED FOR FRIDAY, FEB. 9, FROM 3-5 P.M. AT 1001 EAST BEACH BLVD. IN PASS CHRISTIAN AT THE HOME OF LYNN GILDERSLEEVE.

SEA COAST ECHO

St. Monica Guild of Trinity Episcopal Church in Pass Christian, MS announces news of their 88th Silver Valentine Tea. The tea will be held on Friday, February 9th from 3 to 5 PM at 1001 East Beach Blvd., in Pass Christian at the home of Lynn Gildersleeve.

This historic residence overlooks the Gulf of Mexico and has been an important historical landmark for over 150 years; it also was featured in the recent TV Movie, “Christmas in Mississippi.”

The house was built by architect John Henderson of Henderson Point prior to the Civil War. It was the first train station in Pass

Christian, as the railroad used to run down the beach prior to it being moved behind second street. It was used as a camp ground for Civil War Soldiers and was a working farm with full stables and chickens. It has been shown and enjoyed by many on several tours of historic Pass Christian homes. The home was severely damaged from Katrina but has been restored. Most of the historic information and books were lost to the storm as well as family pictures, and memories but one historic sketch of the house remained thus helping with restoration. Of note, the cottage/servant’s quarters were untouched, as was the stable/ garage. The Gildersleeve’s purchased

the home right after Camille from the Munstead family and it became their summer home to the present.

The Silver Tea is a fundraiser given to support the many ministries of Trinity Episcopal Church: The Boys and Girls Club, Christian Concern Ministries and the PC Food Bank, Gone Fishing ministries, Mercy Flight Southeast- who provides free air transportation to those who needing medical treatment in out of state hospitals and facilities, Wilmer Hall Children’s home and Missionary work in Chile. There is no charge to attend the tea, however donations are requested and appreciated. All monies collected will be given to charity.

Entrance to Tea parking is available on East Beach Blvd. in front of the residence as well as behind the house from the entrance on Second Street where a sign will identify parking. Courtesy shuttle carts will be available to transport visitors to the residence from the parking areas.

The bill of Fare of the Silver Tea will consist of sweet and savory homemade treats, coffee and tea, as well as wine. We invite all Coast residents, tourists and those interested to join us on Friday, February 9th for a wonderful afternoon. In an effort to protect the floors, please do not wear spike heels. We look forward to a large turnout.
